# Ongoing Activities

## 1. VULNERABLE TARGETS REFERRAL CENTRE

### Background

In 2006 UN General assembly adopted a global counter Terrorism Strategy which reaffirms the international community's resolve to strengthen the global response to terrorism

In return INTERPOL's General assembly in 2007 adopted the creation of Vulnerable Target Referral Centre in Interpol Headquarters in partnership with UN entities .

### The Role of VTRC

Through the VTRC INTERPOL will act as an intermediary ,facilitating the exchange of information in the area of Vulnerable Target protection .

The main objective is to identify the responsible units and relevant experts in countries where protection of Vulnerable Targets are implemented this is crucial in exchanging or expertise and best practices amongst countries .

# **3. DANGEROUS & DISRUPTIVE PERSONS**

## **- DDP -**

- **Common interest in the creation of a DDP Database**
- **This Database will support all member countries hosting a major events with information on Dangerous and Disruptive Persons.**
